**Gastronomic alcohols for pastry-making,
restaurant desserts and cooking**

RICART S.L. is a family company engaged in the manufacture of gastronomic alcohols for use as ingredients in the food industry.

Created in 1927, and managed by the third generation of the Ricart family, it continues to make premium-quality gastronomic alcohols, and supplies both large food companies and small traditional concerns. After more than 80 years, its gastronomic alcohols **Degré and Degré Intense** continue to be a reference point in food companies in Barcelona, Catalonia and Spain.

We are sited in **Barcelona, a highly dynamic gastronomic area** where the latest trends in pastry-making, restaurant desserts and cooking are conceived and created. This means that our products must be of the utmost quality and cater to professionals' new needs.
